# Health Careers Camp

## Are you wondering...

... about a Health career?

This career camp will give students direct observation of many healthcare careers and an opportunity to apply classroom learning to “hands-on” experiences in an actual hospital/medical setting. We will visit hospitals, the fire department and Triton’s Health Career programs. Talk to EMTs, learn how to take vital signs - very cool!

It is designed for everyone, including those students considering such career choices as radiology, physical therapy, medical technology, nursing, exercise physiology, emergency medical technician and many others.
